

Summer at New York English Academy

New York English Academy offers a selection of short-period English courses from June 6 to August 22.

These classes offer students the opportunity to learn to speak English fluently, enabling them to speak with other students from a large variety of cultures, as well as a way to make new friends. Students will improve listening, reading, writing, grammar, and vocabulary skills, with an emphasis on formal and informal speaking.

Summer ESL program + Accommodation (Home-stay) Package!

Once you sign up for summer classes, your accommodation will be arranged at the same time. No need to look for a place to stay!
